

Steps to Buying A Home

Get Pre-Qualified

It's important to know what you can afford and how much money you'll need to bring to closing before looking at homes.

Hire a Great Agent

It's important to work with an agent you trust. Buying a home is the biggest expense most people will take on, and a good agent will help you through the entire process.

Start Looking At Homes

This is the fun part, we get to find your dream home!

Make an Offer

With the help of an expert agent, you'll understand exactly what you need to do to make a competitive offer that gets accepted

Inspections & Appraisal

Inspections are so important in getting to know what your new home needs, and the appraisal protects you from paying too much!

Closing Day!!
